

# EP-3025-NZ

## Mobile Floor Cord Strapping Dispenser (NZ Version)

*Cord Strapping for Anywhere!*

Built from solid steel, the EP-3025-NZ Mobile Floor Cord Strapping Dispenser (NZ Version) can manually dispense a cord strap roll up to 8" in face width. It is a great addition to a small strapping station as it can be mounted to a table, floor, or wall. The additional storage tray is handy for additional tools on the go.

Features:

- Disk insert option for Core ID: 1 1/2", 3", 6", or 8"
- Face Width: up to 8"
- Disk Size: 18"
- Table, floor, or bench mountable  
(Includes spin nut & flanges)
- Additional storage tray
