

EP-3030

Cord Wall Mount Unit (ribbon)

Cord Strapping Made Simple

Built from solid steel, the EP-3030 Cord Wall Mount Unit can manually dispense a cord strap roll up to 8" in face width. It is a great addition to a small strapping station as an easy to utilize wall mount. Tray attachment kit sold separately.

Features:

- Disk insert option for Core ID: 1 ½", 3", 6", or 8"
- Disk Size: 25"
- Ribbon-wound
- Quick load system
- Tray attachment kit sold separately
