

When size counts, you need the Marsh Super Size Stencil Machine.

With the Marsh Super Size Stencil Machine you can mix different size characters for a custom-look stencil of bold, oversize marks.

Super Size Features:

- Fast! Cuts a complete stencil in one turn of the handle.
- Thirteen different character sizes! In characters from 1/4" to 10"; metric sizes available upon request.
- Freight marking symbols are also available.
- Sharp, clean stencil cuts.
- Comes complete including stencil machine with table and cylinder. Fonts sold separately.

The Super Size Stencil Machine is easy to use:

1. Arrange individual character dies on the cutting board. Rearrange the dies or change the message easily as needed.
2. Place oil board over the dies and place the fiberboard blanket on the oil board.
3. Turn the handle; the cutting board passes under the cylinder, creating your super size stencil.

Super Size Accessories:

- Super Size cutting board guides your stencil layout for more precise stencils.
- Magnetic lining rules help you make straight lines of type.
- Small and large magnetic lining wedges aid you with custom stencil layouts.

Super Size Fonts

Type in sizes 3" to 10" is available in a character font set of 79 pieces. Type in sizes 1/4" to 2" is available in a character font set of 111 pieces. The chart below shows how many of each character are included in the font sets. Also – individual dies can be special ordered; contact your local Marsh distributor.
